unrestricted gift of $1,000 or more. Supporting Northeastern at an Annual Leadership level gives the university the discretion and flexibility to allocate funding where its greatest need may be. It also helps the university fund unexpected costs and take advantage of emerging opportunities.

FAMILY FELLOWS PROGRAM

The Family Fellows Program recognizes the generous support of our most loyal parent donors who are dedicated to preserving Northeastern's past and safeguarding its future. Family Fellows participation begins with an annual investment of $10,000 or more and can be designated to any area of the university that means the most to you and your family. By making an annual Fellow's level gift, you will ensure that the vital work of Northeastern and its graduates not only continues, but enhances the experiences of all of our students.

As a Northeastern Family Fellow you will:

- Join your philanthropic peers in intimate gatherings with Northeastern's top leadership
- Witness the real-time impact of your philanthropy on Northeastern students
- Motivate others to join through the power of your philanthropic example
