

Today's Lesson: *DONOR ADVISED FUNDS*

A donor advised fund (DAF) is similar to a charitable savings account: You make tax-deductible contributions to your fund as frequently as you like, and retain the right to advise when—and to which charities—grants from your fund are made.

Don't have a donor advised fund? Northeastern established one especially for our Huskies to help manage their charitable giving. To learn more, visit the **Northeastern Donor Advised Fund website at plannedgiving.northeastern.edu/donor-advised-funds** or contact our Office of Gift Planning for an informal conversation.

The Northeastern Donor Advised Fund (NU DAF) is a great way to engage your whole family in philanthropy. Whether you already have a DAF or create one at Northeastern, naming the university as a beneficiary qualifies you for membership in the Frank Palmer Speare Society.

Support Northeastern through your donor advised fund today!
